

## PRICES, CORRECTIONS & CONTINUITY

Every effort has been made to ensure that prices and product details are correct at time of going to press (December 2006). Prices will only change in exceptional circumstances such as large unforeseen increases in raw materials or significant currency fluctuations. All prices are exclusive of VAT, which will be charged at the rate prevailing at the time of invoice. We reserve the right to make product changes, price changes and improvements during the life of the catalogue.

## DELIVERY & INSTALLATION

Part of the unrivalled service we provide is our unique **FREE DELIVERY** and **FREE ON-SITE ASSEMBLY** anywhere in mainland Britain.

**Exceptions:** Safes and Fire Resistant cabinets as shown on pages 158-160. These are heavy items - for installation a questionnaire must be completed and a price for installation will be quoted.

**Storage unit interior fittings:** Storage units will be sited at point of use with interior fittings left for customer self-installation. Full instructions will be supplied with each fitting.

**Home (residential) deliveries:** Due to the special arrangements that need to be made when making home deliveries a charge of **£10 per delivery** will be made for each delivery to a residential address.

## HELP US TO HELP YOU!

Prior to delivery please ensure that the area where your new furniture is to be assembled and fitted is cleared, and where applicable that the lifts are made available to our installers. Please also ensure that other work likely to interfere with the installation is completed (e.g. Carpet fitting and decorating). If there is likely to be a delay please notify our Sales Office at the earliest opportunity. We reserve the right to charge for delays not notified before the delivery is dispatched.

## STOCK/LEAD TIMES

Many items are held in stock for rapid delivery and are identified with a **red** price. Estimated lead times are indicated by an icon, illustrated below. Non-stock items have a **black** price are subject to longer lead times (normally 25-30 working days). Your expected delivery date will be notified upon receipt of order.

Normal lead times are indicated throughout the catalogue by the icons shown left. Days refer to working days from receipt of order.

## CANCELLATION OF ORDERS/DELIVERIES

Cancellation of standard stock items must be in writing.

**The Company reserves the right to charge an**

**administration fee.** Orders for non-stock items

(specials) cannot be cancelled once the order has been accepted. A charge will be levied against any deliveries that are not accepted on the confirmed delivery/installation date.

## WOOD VENEERS & FINISHES

While manufacturers strive to achieve excellent colour matching, real wood veneer is a natural product and shade matching cannot be guaranteed. Exposure to natural light will alter wood colour over a period of time. Finishes illustrated within this catalogue may be altered slightly by the printing process and should only be used as a guide.

## FABRICS

Where a fabric covered product is available from stock the relevant stock colour is shown on the page. For further details, fabric cards and prices of all other available fabrics please contact our Sales Office. Fabric colours illustrated within this catalogue may be altered slightly by the printing process and should only be used as a guide.
